CORRECTIONAL - HIGH LIABILITY Confrontational Avoidance/De-Escalation & Use of Force Instructor Certification Course

COURSE LOCATION: Now Being Scheduled at U.S. Corrections Facilities
Your County, U.S.A.

COURSE DATES: TBA Fall 2020 & 2021 0800-1600 hours

COURSE PROFILE: *SPECIAL NOTE: most Use of Force courses are geared for law enforcement (road) conditions, not jail conditions, “two extremely different work environments”. This ground-up program is exclusively designed and developed for correctional officers working in “correctional/jail conditions with potentially violent inmates.” Content emphasizes and has been updated to meet new De-Escalation & Use of force upcoming Federal standards.*

A one-week extensive and comprehensive (40 hour) “correctional specific Confrontational Avoidance & Use of Force instructor certification course.” The program is specifically designed and developed for corrections/jails based on new Federal parameters/standards on jail DOJ civil rights investigations, where the author has been a department expert. Since 1983, these programs have been in constant use and continually updated with correctional facilities nationwide. Fully backed in a court of law, not one department or instructor has been successfully sued in any correctional use of force condition. **This program provides unprecedented credibility with upcoming mandated de-escalation techniques & use of force training for your department with five (5) year certification.**

-Topics Covered in the Program Include-

- Updating/establishing lawful confrontational avoidance & use of force department training standards and policy for all areas and personnel of the facility.
- Proper use of force training parameters based on correctional conditions from a national and Federal geographic perspective.
- Confrontational Avoidance Techniques; understanding the 4 types of anger, key de-escalation and proven skills, pre-assaultive indicators and more since 1990.
- Movement/transportation of inmates from within the facility to transport vans/buses.
- Four (4) correctional-based control & restraint techniques, Emergency Response Belt (ERB) techniques & tactics and all types of restraints.
- Shield training for disturbances, various entry & considerations for cell/unit entries.
- Correctional based OC aerosol weapons certification.
- Written & practical exams for instructors & certification requirements.

- **TUITION: \$895.00:** Includes respective instructor manual/workbook, USB jump drive w/PowerPoints & documents; DPS Extreme Range OC Aerosol Spray; ERB Pak w/tactical carrier and 5-year backed in court" instructor certification.
