## **Control Tactics & Rapid Response Certification Course©**

**COURSE LOCATION:** Scheduling Nationwide

**COURSE DATES:** TBD

**COURSE PROFILE:** The Courtroom has changed significantly from a safe to a potentially lethal environment. Assaults, stabbings, and lethal encounters are becoming more commonplace in the judicial setting. This two-day certification course was designed and developed to enhance the safety of officers and court personnel. This program was developed from contemporary issues and concerns occurring in courtrooms from a national geographic perspective. Training addresses handling verbally combative to physically combative persons in the court setting. Rapid deployment to potential violent encounters is designed for the court officer prior to law enforcement and/or tactical team arrival.

### **Topics Covered in the Program Include:**

- Understanding the cognitive effects of the court and trial on a defendant, friends & family members.
- Environmental safety assessment considerations, trial specifics, use of additional law enforcement personnel for courtroom movement.
- Confrontational Avoidance Techniques©: proper handling of verbally threatening subjects. Understanding the four types of anger, proper de-escalation techniques and body space parameters.
- Control & restraint techniques, use of various restraints & safe movement of subjects & inmates.
- Cell extractions and safe movement throughout the court building.
- Edged weapon defense and close quarter disarming tactics.
- Single, multiple officer and team takedown training.
- Extensive hands-on exercises will be conducted in a courtroom with realistic scenarios.
