

Emergency Response Belt

Instructor Certification Kit

“Verified Certification Training for Handling Mental Health & Intoxicated Subjects with Safe, Humane Physical Control, Contact-Less Restraint & Movement”

COURSE PROFILE: This instructor certification kit is specifically designed and developed for handling mental health subjects, dementia and intoxicated violent subjects. Law Enforcement have come under tremendous national scrutiny having to physically handle these often, violent conditions that compromises subject & officer safety. ***The Emergency Response Belt® has been in the field for 30 years nationally without one lawsuit.*** This tough cloth, control & restraint, movement protective device has been used in 100’s of county correctional & juvenile facilities since 1990. A less aggressive bright green ERB color change from black and new profession specific programs have been thoroughly research and developed for EMS, schools, nursing homes and hospitals. **This program is designed specifically for the safety of Law Enforcement Officers.** The techniques instructed fully address physically confrontational mental health, dementia and violent intoxicated subject conditions that Officers face in the field throughout the United States.

Topics Covered in the program include:

- Easy to learn and retain extremity control, passive restraint,
- immobilization, movement and safe transport of potentially violent persons with the non-weapon classified, tough cloth, **ERB®**
- Hands-on practical exercises & scenarios are conducted for real life conditions; student teach-backs & problem solving also covered.
- Documentation procedures for administrative reports when dealing with verbally and physically combative mental health & dementia and intoxicated persons in various street/field environments.

KIT COST: \$295.00

Includes: training workbook; USB flash-drive with PowerPoint training information; Emergency Response Belt® with convenient lite-weight carrier case; wall certificate.
