

# EXPANDABLE POLICE BATON

Instructor Certification and  
Instructor Re-Certification Course©

**COURSE LOCATION:**      Scheduling Nationwide

**COURSE DATE:**            TBD

**COURSE PROFILE:** This one-day (8 hour) instructor level certification course is designed and developed for those agencies desiring to train an instructor to teach the basic certification course in Expandable/Collapsible police batons. Effective and street proven defensive techniques are taught with the utmost regard for current liability constraints and use of force parameters. **Special Note:** This course has been regarded by numerous legal professionals and several courts as more defensible than manufacturer-based training programs due to its non-product influence and years of national field documented, police baton use of force related incidents.

## **Topics Covered in the Program Include:**

- Realistic & Practical approaches for use of the expandable police baton
- Public, media and suspect perceptions of impact weapons
- Use of Force Parameters, Key Report Observations
- Nomenclature, construction variables, advantages and dis-advantages of expandable police batons
- Striking dynamics, strike zones and threat level priorities for baton usage
- Various grips, drawing techniques, reflexive blocking, closed & extended striking techniques as well as use as a bite stick against vicious dogs
- Instructor training considerations for student teaching and problem solving
- Proper Documentation Procedures, Report Strategies and Civil Liability discussion pertaining to impact weapons
