

Handcuffing Tech's & Tactics© Instructor Certification Course **Registered Training Kit**

COURSE PROFILE:

Get your instructor certification up to date in the most used tool/equipment on the duty belt. This high liability, non-manufacturer course addresses all types of handcuffs. This kit includes specific instructor level handcuffing certification designed and developed for use of force instructors desiring to get certified in the use & applications of handcuffs. This course was designed and developed to protect departments and officers from current liability issues to prevent injuries and lawsuits with handcuffs.

Information was developed from the 1982 release of the *TJA Police Control & Restraint Techniques* program. Researched for two years from the 1972-1982 FBI Officer Killed Summaries, it fully addresses the knowledge and skills required with the use & application of handcuffs. This highly evaluated training program is in continued use today throughout the United States.

Kit Includes:
