

LESS-LETHAL SHOTGUN SPECIALIST INSTRUCTOR CERTIFICATION COURSE

HOSTED BY: Cumberland Township Police Department

Course Location: 230 Greenamyer Ln
Gettysburg, PA 17325

Course Dates: June 29th, 2023
0800-1700hrs

Course Description:

The Less-Lethal Shotgun Specialist Instructor Course provides an instructor-level certification on the use and application of any manufacturer's 12-gauge less-lethal munitions, non-flexible and 12-gauge diversionary devices in close, medium, and long-range applications. The course is one day in length and provides a 3-year agency instructor certification upon the participant's successful completion of all course requirements.

Course Topics Include:

- Use of Force parameters and associated Federal laws.
- Use of Force Training Model & documentation best practices
- Principles of Specialized Shotgun Munitions
- Tactical, environmental and safety considerations for employment of less-lethal munitions
- Royal Arms FBG-MK4 Impact-Initiated 12-gauge flashbang
- Sample Policy and guidelines for department implementation
- Less-Lethal, live practical application

Course Instructor:

Brian S. Clark, Owner / CEO of TJA Use of Force Training, LLC has been a Master Instructor of TJA courses for twenty-three years. He has established his vast knowledge and credibility in the Use of Force over his thirty-year career in the military and corrections.
